Work History

January 2021 - Present

Departmental Secretary
Cone Health, Offsite Distribution Center, Greensboro, NC
- Created and maintained data-collection tools that demonstrated a need for a larger workforce, leading to the hiring of 3 new employees.
- Improved department-wide understanding of Voxware software after careful examination of documentation.
- Organized courier deliveries and time-sensitive product requests for 5 hospitals and 100+ physician practices.

January 2019 - August 2020

Math Tutor
Tallahassee Community College, Tallahassee, FL
- Tutored nearly 1000 students and received frequent 5-star ratings for clarity of explanation and patience.
- Earned CRLA (College Reading and Learning Association) Level 2 certification, demonstrating mastery of tutoring practices and principles.

Private Tutoring, Tallahassee, FL
- Advertised online and in-person to gain 15+ new students, many of whom returned for help in future courses.
- Evaluated student performance and reported to parents of high-school tutees to recommended next steps and supplemental materials.

August 2017 - January 2019

Host/Server
Red Lobster, Tallahassee, FL
- Served food and beverages to an average of 4 tables per hour.
- Distributed guests fairly amongst an average of 8-12 servers per night.

Education

May 2018 - May 2020

Mathematics, Bachelor of Science with Honors
Florida State University, Tallahassee, FL
Relevant Coursework: Intro to C++ Programming

May 2017 - August 2018

Associate of Arts
Tallahassee Community College, Tallahassee, FL

Projects

Pong
https://github.com/ConnorMooneyhan/pong
Utilizes the Canvas API to implement a classic game of Pong in the browser.

Cellular Automata
https;//github.com/ConnorMooneyhan/cellular-automata
Customizable tool for visualizing basic cellular automata. The "Favorites" section of this app demonstrates CRUD capabilities.
